SOCAN & RE:SONNE MUSICAL LICENSE

MUSIC:

Musicians, DJ, I-pod or laptop with music can be hired or used in all of our private halls inside the Auberge. Music is allowed until 1am. A SOCAN license gives you the freedom and flexibility to use virtually any music you want for your event - legally, ethically, and easily. Without SOCAN, you would have to get the permission and negotiate a royalty with every song writer, singer and music publisher whose music you intend to play. Instead, SOCAN makes this process simple by allowing users to pay a relatively small fee according to the following chart:

NUMBER OF GUESTS :

1 to 100 guests.....	\$63
101 to 300 guests.....	\$91
